## Explanation

The public procurement procedure of services of coins production - denomination of 2 KM, was initiated by the Decision, Number: 150-07-1-1159-2 / 19 ŽB, dated April 5, 2019.

Pursuant to Article 8, paragraph (1) of the Public Procurement Law (Official Gazette of BiH, 39/14) and Article 7, paragraphs (3) and (4) of the Rules on the procedure for awarding the contract for services from the Annex II, Part B Public Procurement Law, the Central Bank published the Invitation to Bid for the first phase, i.e. pre-qualification phase, Number: 150-07-1-1159-5 / 19 on the website: [www.cbbh.ba](http://www.cbbh.ba) and sent it to three addresses, on May 17, 2019.

Within the deadline for submission of bids, one bid was submitted in a timely manner from the bidder: The Royal Mint Limited, United Kingdom.

The Commission responsible for carrying out the public procurement procedure has reviewed and evaluated the received bid and concluded that the received bid has met all the qualification requirements, required in the aforementioned Invitation, and it recommended to access the second phase of the procedure, with the aforementioned bidder in the Minutes on Review and Evaluation of Documents, No. 149-07-1-1577-4 / 19, dated June 7, 2019.

In accordance with the recommendation of the Commission, the Public Procurement Department prepared an Invitation to submit bids for the second phase - the phase of submission of initial bids and negotiations, Number: 150-07-1-1159-9 / 19, dated 12 June 2019, and delivered it to qualified Bidder from the first phase of the procedure.

A qualified Bidder from the first phase of the procedure submitted its bid, within the deadline for submission of bids.

On 5 July 2019, the Commission reviewed the submitted bid and concluded that the bidder had submitted all required documents for participation in the second phase of the procedure.

The above-mentioned Invitation for the second phase of the procedure envisages the negotiations with the Bidder to be held on July 5, 2019, in the premises of the Central Bank of Bosnia and Herzegovina in Sarajevo. Also, the Invitation provides that if the authorized representative of the Bidder does not appear at the negotiations, the Central Bank shall consider that the Bidder will remain at the price from the submitted bid. Considering that the Bidder informed the Central Bank in writing that its authorized representative was not able to attend the negotiations in the time schedule set by the Central Bank, the Commission made a recommendation as in the introductory of the Decision, in the Minutes on review and evaluation of Bid, No. 149-07-1-1577-6 / 19 and in the Report on its work with recommendation, No: 149-07-1-1577-7/19, both from July 5, 2019.
